

Thank you for your support of York Street Project and its programs to break the cycle of poverty. Your monthly gift is used to create building blocks for an individual or family facing homelessness and other barriers caused by a life of poverty. Your gift will help build an individual or family toward a path of self-sufficiency. Please let this box be a reminder of the part you play in the YSP mission and the good that you are doing for your community.

*This is what your assembled  
Brick Box Paper Foldable will look like!*

*To assemble your Brick Box Paper Foldable,
